Guide for age suitability

- A** – aimed at children and families, nothing scary or gory
- B** – aimed at older children, might be a little scary for under 7s
- C** – 10+ bit scary/gory
- D** – 12+ mild swearing/gore/some adult themes
- E** – 16+ Adult themes: sexually explicit language/ explicit swearing/gore
- F** – aimed at adults, with no particular sexual, swearing or scary content but may be complex

Other age guides may be stated in the grid.

Artists are asked for age recommendations and we hope that by providing a description for some categories it will help both artists and audience to gauge the suitability of a performance. Some shows still have ages as a guideline as it is difficult to fit all.
