Guide for age suitability

- A** – aimed at children and families, nothing scary or gory
 - B** – aimed at older children, might be a little scary for under 7s
 - C** – 10+ bit scary/gory
 - D** – 12+ mild swearing/gore/some adult themes
 - E** – 16+ Adult themes: sexually explicit language/ explicit swearing/gore
 - F** – aimed at adults, with no particular sexual, swearing or scary content but may be complex
- Other age guides may be stated in the grid.**

Artists are asked for age recommendations and we hope that by providing a description for some categories it will help both artists and audience to gauge the suitability of a performance. Some shows still have ages as a guideline as it is difficult to fit all.
